2019 WE United National Championship will take place **October 11-13** in beautiful Del Mar, California!

The **WE United Board of Directors has shifted our 2019 National Championship Show a few weeks earlier** to avoid a conflict with another big show taking place in Texas the first week of November. We had originally selected our dates so that we would not overlap with any of the major shows our in which our members frequently participate. One of those shows subsequently had to shift their dates, which meant that the two shows would have ended up overlapping.

We chose the **premier** horse show facility in Del Mar for its **beauty, temperate weather**, and proximity to a very **active membership base**.

For those making the journey from outside the area, travel with horses to the San Diego vicinity should be easy at this time of the year. Temperatures should make travel safe for horses, and mountain passes should still be clear.

We'll have more details to share with you in the months to come, but wanted to get the dates out there as quickly as possible to help with your planning.

A discount on entry fee will be offered for those traveling more than 700 miles (one way) to attend the show, in recognition of the extra expenses incurred during travel.

All competitors at the Championship must be current members of WE United with WE United Horse Recording numbers, but qualifying scores can be earned prior to joining WE United, provided official results to verify the scores are available.

What does it take to qualify to compete at the National Championships? Horse/Rider combinations must earn a 58% or higher in both Dressage and Ease of Handling and successfully complete all trials at the level in which they are competing (in other words, they can't be disqualified or eliminated) at the show where the qualifying scores are earned. You can earn your qualifying scores **at any licensed WE show with a WE United licensed judge from September 4 of 2017 through October 6 of 2019.**

Those who attended our first National Championship last year are still talking about the great memories from that show. There was a lot of laughter and enthusiastic support for all involved.

We're looking forward to making our 2019 Championship every bit as fun and welcoming as our inaugural event in 2017. We hope you can join us!

Important Note:

Updated rules for the 2019 show season will be published in the next week. Please check back on the WE United website at the end of the month for the new rules, which will take effect December 1, 2018 and must be used for any licensed show on or after December 1, 2018.

WE United thanks the United States Rules for Working Equitation committee which volunteers many hours to update and maintain the rule book. This year there were nearly 70 rule change proposals submitted. The committee reviewed and considered every one of them. A majority were adopted in full or in a modified fashion. Particular thanks go to committee chair Jeanne Bond, who works tirelessly to ensure the text and presentation of the

rule book is accurate. The current U.S. Rules Committee members are below. Any of them will be glad to answer questions regarding the updated rule book.
